4. Wrap this poem around such HTML tags that will preserve all spaces and line-breaks when the element is displayed.

My house is red - a little house;  
A happy child am I:  
I laugh and play the whole day long,  
I hardly ever cry.

I have a tree, a green, green tree,  
To shade me from the sun;  
And under it I often sit,  
When all my play is done.
